

Everyone 18 years or older is now eligible for a COVID-19 booster!

Immunity decreases naturally over time and cold weather makes viruses even easier to spread. As we gather with friends and family over the holidays, a booster can help keep us protected.

If you got your initial doses of **Pfizer** or **Moderna** at least **6 months ago**, you are now eligible for another dose.

If you got your initial dose of **Johnson & Johnson** at least **2 months ago**, you are eligible for another dose.

Some people may prefer a different vaccine type for their booster; mixing and matching is allowed.
